

## PORTSMOUTH LOCAL NEWS AND ADVERTISEMENTS

## PAID EMPLOYEES OF THE CITY

Will Have No Ordinance Preventing Them From Other Work.

## APPAISMENT BILLS PAID

Water and Telephone and Telegraph Poles Discussed by the Council Last Night—Mr. George L. Neville's Bill Referred to City Attorney and Ferry Committee, Messrs. Gill and Thomas Want Their Award of Sixty Odd Thousand Dollars.

A regular adjourned meeting of the City Council was held last night, President John J. King in the chair, and the following members present: J. Davis Reed, S. Montague, R. E. Glover, E. Deans, J. E. Johnson, J. L. Codd, L. C. Brinson, C. W. Walker, D. W. Ballentine, Jesse Overton, G. M. Reynolds, Geo. M. Wynnott and C. E. Murden. The oath of Messrs. Johnson and Overton, the newly elected members of the Council from the Third Ward, were presented and the same filed.

All properly approved bills were allowed. The Finance Committee, to whom was referred the matter of the cost of the ferry appraisement, reported through its chairman that it could not agree and had concluded to refer it back to the Council for a report. Considerable discussion ensued and finally the matter was referred to the Council Committee on Ferries for its report, a recess of five minutes being taken to give the committee an opportunity to confer.

The Council, at the expiration of the time mentioned, again convened, when Mr. Montague offered a motion that the Finance Committee be instructed to bring in a report at the next meeting of the Council, appropriating extra compensation to the Sanitary Inspector as per the recommendation of the Board of Health. Approved.

Mr. Glover moved that the Finance Committee bring in a report devising ways and means whereby additional help could be employed at the sewer pump house. Concurred in.

The Street Committee reported favorably on the application of Messrs. Alexander & Parr to be allowed to move a building from Randolph to Sixth street, which was agreed to.

The complaint made by Mr. Norman Cassell as to the condition of London street, between the Water and Telephone streets, was reported on by the Street Committee, which recommended that the evil complained of be remedied at a cost not to exceed \$150. The Council referred the matter to the Finance Committee.

The Portsmouth Electric and Gas Company petitioned the Council for the privilege of placing several poles on certain streets, stating as their object that the company was desirous of strengthening their wires on one set of poles. The Street Committee recommended that the petition be granted, and it was accordingly done, with the proviso that new wires and taller poles be used.

The Fire Committee reported favorably on the applications of Dr. R. H. Parker and Dr. George W. O. Maupin to be allowed to build frame houses on North and Second streets, respectively. The applications were granted. The committee through the Council also granted Mr. George R. Trant the privilege of erecting an office building on the property of the Seaboard Air Line, near Columbia street.

THE CITY EMPLOYEES. The question of adopting an ordinance preventing certain city employees from engaging in other work outside of their respective duties to the city occasioned an interesting debate. Mr. Wynnott, speaking for the Ordinance Committee, which reported that at this time there was no necessity for such an ordinance, said that the whole subject had been carefully gone over by the committee, and it had found that the whole matter had been stirred up and agitated by one man, who had not been injured in the least by any of the city employees, especially, as had been stated, by any member of the Fire Department.

Mr. Glover thought that as the city had entered into a contract with certain of its employees, for instance, the policemen and firemen, whose services were at all times at the call of the city, they should attend to those duties and not be allowed to have "side issues," and that it was the duty of the Council to see that the members of the Fire Department attended strictly to their duties incumbent upon them, and that there should be an ordinance covering the question at issue.

Mr. Reed said if the men were not derelict in their duty he saw no reason for such an ordinance.

Mr. Emmett Deane explained what came out before the Ordinance Committee in reference to members of the Fire Department doing little extra jobs, and it was not shown that any trades, man or set of men had been injured in the least; and he stressed with those who had spoken in not seeing the necessity for such an ordinance, and for the present there will be no ordinance on this subject.

The petition of Mr. W. H. Runtling to be allowed to connect with the sewer at the northwest corner of County and Chestnut streets was granted, provided he conform to the same rules and conditions governing other county residents who have been allowed to enjoy the same privilege.

Mr. Reed reported to the Council that the new water main had been completed; and this gentleman also reported the failure of the Joint Ferry Committee to meet yesterday, but that the City Ferry Committee would report adversely on the sale of the ferry steamer Eliza.

THE FERRY APPRAISMENT. The Ferry Committee here presented its report on the matter of paying the bills of the appraisers and experts appointed and employed in ascertaining the value of the ferry property at the expiration of the ten years' lease of Messrs. Gill and Thomas.

All of the bills were allowed, with the exception of that of Mr. Geo. L. Neville, which was referred to the Ferry Committee and the City Attorney to determine what amount of the bill the city should pay, and to report the fact to the Council at its next meeting.

A leave of absence for five days was granted City Auditor Hume.

The request of the Mayor for a new record book for the Police Court was referred to the Police Committee, with power to act.

AN OFFICIAL ACTION. A communication was received from Messrs. Gill & Thomas, late lessees of the ferry, asking that the Council take some official action to provide for the payment of the appraisement of the ferry, the amount of award due them being through said appraisement the sum of \$60,183.33. This was referred to the City Attorney for an opinion.

NEW BUSINESS. Mr. Glover called the attention of the Council to the unsightly and old-fashioned street hydrants and horse troughs about the city, and moved that the Water Committee take the matter up, with the view of providing a combination hydrant, and that arrangements be also made for the waste water to run in the sewers instead of the street gutters. This was agreed to.

Mr. Montague talked upon the point of having good and wholesome water for the use of the people of the city. He said a filter was badly needed, and there was no reason why the water company should not be compelled to live up to its contract. He moved that the water committee have a conference with the water company with that very important end in view.

Mr. Deane called attention to the many small, rotten, dangerous and unpainted telephone and telegraph poles encumbering the streets. He said if the poles were in a dangerous condition they were a nuisance, and the Mayor should see that they were condemned and pulled down. He said many of them were being used at all, and on his motion the clerk was instructed to call the attention of the Mayor to the ordinance covering unpainted poles, etc., standing on the streets.

Along this line Mr. Reed said he thought it eminently proper that the Council look into the advisability of excluding such poles in the future requiring the companies to either erect cedar or metal ones.

Mr. Montague offered a motion which prevailed, that the Street Committee look into the advisability of requiring all electric and telephone wires to be placed in underground conduits.

Mr. Deane reported the bad condition of the roof of the City Hall and Mr. Glover called attention to the bad condition of the drain pipes in the Fourth Ward.

Mr. Reed desired an ordinance which would fully protect the cemeteries from the depredations of boys and the pilfering of flowers, and also to prevent the side walls from being made play grounds of by those so inclined, which the Ordinance Committee will take under advisement.

THE COTTON TRIAL POSTPONED. Mr. Chas. T. Bland to Assist Col. K. R. Griffin in the Prosecution.

The expectation that Walter Cotton, alias Smith, would be put on trial yesterday in the Hustings Court for the city of Portsmouth on the very serious charge of murder, having the effect of attracting to the court room a very large crowd of people.

The prisoner was brought from Norfolk, where he has been kept ever since the capture by the efficient detective force of that city, because the accommodations there for him were of a more safe kind, our jail not being considered any too strong.

Colonel K. R. Griffin, Commonwealth's Attorney, lost no time in getting down to work. But the man accused of murdering Mr. Charles Wyatt on the 3d day of August last had retained no counsel, the court granted one week to Armstrong, that they might prepare their defense. This sets the case for next Tuesday, the 19th, at which time the witnesses were subpoenaed to appear.

The man was then securely handcuffed and taken back to Norfolk, where Sheriff Abbott accompanied Detectives Heppel and West.

Captain Charles T. Bland has been retained by Mrs. Wyatt to assist Colonel Griffin in the prosecution.

THE GAME YESTERDAY. The All Americans Do the Atlantic City Boys.

Although yesterday was an ideal baseball day only a fair sized crowd went out to see the game of ball between the Atlantic Citys and All Americans.

The game was the hardest fought contest yet seen on the Columbia Park grounds. Both pitchers were on their mettle, and had they not been better supported a much smaller score would be recorded. Persons who pitched for the All Americans, had much the better of his opponent, Montague. He allowed only three singles and struck out sixteen men. Montague was hit safely ten times and fanned out eight men.

As usual, there was senseless kicking, both sides doing an equal share of it. In the third inning there were three Atlantic City men on bases. Hart hit to first and Neville threw to Armstrong at the plate to cut off a run. Somebody else took a notion to throw something at about the same time Neville threw the ball, but the other was a cup of water and it struck "Red" full in the face, a mixup followed and several blows were struck. No one was hurt, however, and the game went on.

There was really no feature to the game, barring the pitching. Armstrong's fine catching and his home run into the river which scored three runs.

## ITEMS GATHERED HERE AND THERE

Miscellaneous Happenings Condensed For Virginian-Pilot Readers.

## MOVEMENTS OF PEOPLE

What is Going On in and Around Portsmouth and Suburban Communities Gathered, Sifted and Told in Few Words—The Past, the Present and the Future Revealed, Related and Foreshadowed.

A pool table is wanted. Apply or address John S. Crawford, 2211, 11th street. See advertisement in Norfolk ad. column.

The Crocker Memorial windows for Trinity Episcopal Church, in memory of Major James F. Crocker's deceased wife and son, Mrs. Margaret and James Francis, were being placed in position yesterday. They are very handsome, indeed.

Mr. Joseph Lumberger, who will succeed Mr. Jeter as physical director of the Y. M. C. A. of this city, arrived yesterday morning from Danville, Pa., where he filled a similar position for the past two years.

The trial of Eva Sessoms, set for yesterday in the Hustings Court, was continued until to-morrow. She is charged with felonious cutting.

Judge H. R. Prentiss, in the Norfolk County Circuit Court yesterday heard the case of C. W. Tebault against William Exton, suit for damages in the sum of \$5,000, the jury decided in favor of the plaintiff. Damages in the sum of \$500 were awarded.

The evergreens beat the Sun-flowers at ball yesterday by a score of 10 to 9 in two innings.

A captain of American volunteers, a religious organization, applied to Mayor Baird yesterday morning for permission to hold open air Gospel meetings in this city. The privilege was granted.

Mr. N. H. Richardson left on the Washington steamer last night to be at the bedside of his mother, who is sick in a hospital in the Capital City.

Mrs. M. E. Saunders and daughter, Miss Willard, have returned from an extended visit through Eastern North Carolina.

The two beautifully engraved axes made from metal taken from the Spanish cruiser Reina Mercedes, presented to the Laurel Fire Company of York, Pa., by the Chambers Fire Company, who were the guests of the Laurel boys during the sesqui-centennial, are attracting widespread attention.

Mrs. W. F. Williams, of 24 Middle street, will leave this morning for a two weeks' visit to Goldsboro, N. C.

Mr. H. N. B. Ellener, wife and son will leave yesterday afternoon for a three weeks' residence at the White Sulphur Springs.

Mr. Frank T. Hilday, a well-known young gentleman of this city, will enter the University of Virginia this session, the degree being his chosen profession. He will leave the city probably to-day.

A deed from the Citizens' Light, Heat and Power Company to the Portsmouth Electrical and Gas Company has been recorded in the City Clerk's office, transferring the land and plant of the Citizens' Light, Heat and Power Company, on Queen street extended, to the latter company. The consideration was \$800 and \$30,000 worth of first mortgage bonds of the Citizens' Light, Heat and Power Company.

A young ladies lavender-colored right hand glove, picked up in front of this office yesterday, awaits a claimant.

The Portsmouth boy, Martin O'Connor, at St. Mary's College, Belmont, N. C., who was reported as having broken his right arm and fractured his left, a day or two ago, is said to-night to be in a very serious condition at Belmont.

PYTHIANS GOING TO HAMPTON. Portsmouth Company, No. 15, U. E. K. P. has decided to attend the ceremonies incident to the laying of the corner stone of the new Pythian temple to be erected in Hampton. The company will leave Pythian Castle, corner Court and County streets, to-morrow afternoon at 1:15 o'clock, going to Norfolk on the 1:20 ferryboat, leaving Norfolk at 2 p. m. via Ocean View and Old Point, and return home to-morrow night.

It is expected that about twenty-five Sir Knights of this company will go attired in the full dress uniform of the rank.

Atlantic Company will also attend and probably by the same route, though this is not definite.

THE RIFLES' SMOKER. Thursday night at 8:30 the members of the newly organized Portsmouth Rifle Company will give a smoker in their room at Armory Hall. The boys expect to have a royal time. Speeches, toasts, etc., will be in order during the evening, and everyone who attends is assured of a pleasant evening. The members of the pros are extended a cordial invitation, and also anyone interested in military matters.

## NORFOLK COUNTY SUPERVISORS.

An Appeal to Be Taken to the Supreme Court in the Cox Condemnation Proceedings.

Yesterday afternoon the Board of Supervisors of Norfolk county met at the Courthouse for the transaction of such business as might be brought before it, with the following members present: C. R. Nimmo, chairman, and Messrs. Eley, Johnson, Codd, Lynch and Wood.

A committee, consisting of Messrs. C. H. Berry and W. Yalling, appeared before the board and made complaint against the crematory which has existence on Bay Creek. The matter was referred to Captain Marshall, the Attorney for the Commonwealth.

With the understanding that the work be done under the supervision of the Supervisor of Tanner's Creek, the Norfolk County Water Company was granted permission to lay its mains along Little Creek road, from White House corner to the Princess Anne county line.

Another important matter was referred to the Commonwealth's Attorney, and that was the application of Messrs. Gill & Thomas for the payment of the amount found to be due them by the appraisal board, in excess of the appraisement, \$60,183.33.

The usual routine business was transacted, after which the following resolution was presented and adopted:

"Resolved, That an appeal be taken from the decision of the Court of Hustings in the case of the Board of Supervisors of Norfolk county vs. John W. Cox for the condemnation of his land adjacent to the Courthouse lot, which is wanted for the purpose of enlarging the County Clerk's office, and that the chairman of the board execute the bond required to take said appeal on behalf of the board, and that Alvah H. Martin be requested to sign said bond as surety."

EARLE DEWEY BRADY DEAD. At 4:15 o'clock yesterday morning Earle Dewey, the infant son of Mr. and Mrs. Claxton Brady, breather his last, after a short illness. The funeral services will take place this afternoon from the residence, on Glasgow street extended, Seaville, at 2 o'clock. The interment will take place in the family burial ground near Bowers' Hill.

The sympathy of the entire community has been extended to the parents in the great loss they have sustained. "We watched him breathing through the night—His breathing soft and low—As in his brother's wave of life Kept heaving to and fro."

DEED. Mr. N. H. Richardson left on the Washington steamer last night to be at the bedside of his mother, who is sick in a hospital in the Capital City.

Mrs. M. E. Saunders and daughter, Miss Willard, have returned from an extended visit through Eastern North Carolina.

The two beautifully engraved axes made from metal taken from the Spanish cruiser Reina Mercedes, presented to the Laurel Fire Company of York, Pa., by the Chambers Fire Company, who were the guests of the Laurel boys during the sesqui-centennial, are attracting widespread attention.

Mrs. W. F. Williams, of 24 Middle street, will leave this morning for a two weeks' visit to Goldsboro, N. C.

Mr. H. N. B. Ellener, wife and son will leave yesterday afternoon for a three weeks' residence at the White Sulphur Springs.

Mr. Frank T. Hilday, a well-known young gentleman of this city, will enter the University of Virginia this session, the degree being his chosen profession. He will leave the city probably to-day.

A deed from the Citizens' Light, Heat and Power Company to the Portsmouth Electrical and Gas Company has been recorded in the City Clerk's office, transferring the land and plant of the Citizens' Light, Heat and Power Company, on Queen street extended, to the latter company. The consideration was \$800 and \$30,000 worth of first mortgage bonds of the Citizens' Light, Heat and Power Company.

A young ladies lavender-colored right hand glove, picked up in front of this office yesterday, awaits a claimant.

The Portsmouth boy, Martin O'Connor, at St. Mary's College, Belmont, N. C., who was reported as having broken his right arm and fractured his left, a day or two ago, is said to-night to be in a very serious condition at Belmont.

PYTHIANS GOING TO HAMPTON. Portsmouth Company, No. 15, U. E. K. P. has decided to attend the ceremonies incident to the laying of the corner stone of the new Pythian temple to be erected in Hampton. The company will leave Pythian Castle, corner Court and County streets, to-morrow afternoon at 1:15 o'clock, going to Norfolk on the 1:20 ferryboat, leaving Norfolk at 2 p. m. via Ocean View and Old Point, and return home to-morrow night.

It is expected that about twenty-five Sir Knights of this company will go attired in the full dress uniform of the rank.

Atlantic Company will also attend and probably by the same route, though this is not definite.

THE RIFLES' SMOKER. Thursday night at 8:30 the members of the newly organized Portsmouth Rifle Company will give a smoker in their room at Armory Hall. The boys expect to have a royal time. Speeches, toasts, etc., will be in order during the evening, and everyone who attends is assured of a pleasant evening. The members of the pros are extended a cordial invitation, and also anyone interested in military matters.

Captain Owens still keeps open the enlistment books to anyone who desires to join.

BASEBALL TO-DAY. The All Americans will try conclusions with the Brambletons this afternoon at Columbia Park and a red-hot game is promised. The Brambleton team is a very strong one, one of their number being Donald, who pitched in the Atlantic League last year. This game is for the benefit of the players, and should be well patronized. Kaufman and Armstrong and Egan and Knott will be the opposing batteries. Game called at 3:45.

TRIED TO BEAT HIS WAY. Yesterday morning John Moore, colored, was caught by one of the ferry employees in an attempt to beat his way across the ferry by jumping the fence. He was held until Officer George Hutchins could respond to the call for an officer, when he was taken to the station house, where, on being searched, a pistol was found on his person. He was locked up to await the pleasure of the Squire this morning.

## SHOE DEPARTMENT.

Our reputation is made by selling good shoes at honest value. Our Men's Hand-sewed Patent Leather is a winner. Try us and be fitted properly and comfortably. Prices reasonable for quality.

STRICTLY ONE PRICE—FOR CASH ONLY.

IN MEMORIAM

On the Death of Mrs. Nannie Bailey, Who Deceased This Life September 13th, 1898.

A. A. R. Just twelve months since we laid thee low Beneath the earth's cold sod, Just twelve months since the angels came And took thee to thy God.

Our hearts are sad, Time has not stilled The awful aching, sad unrest, Yet, when we mourn, we know that you Are numbered with the blest.

The bloom of health was on thy cheek, The light of hope illumed thine eyes, You looked like one too pure to live, Too bright and beautiful to die.

But, lo! at night God's angels came And took from us our Nannie dear And left us here to weep and mourn And shed the saddening tear.

We should not mourn—you were too pure, Too frail for this bleak world of ours; Too bright and beautiful to die, Too good to leave us here below.

To bloom amid celestial bowers, There with the saints, in glory crowned, Before her Father's throne, she stands, With songs of glory on her lips And palms of victory in her hands.

She was too lovely for this life: But she is lovelier, fairer now, Since God has wiped her tears away And set His seal upon her brow.

Sweet Nannie, dost thou ever turn From thy bright home in heaven above To give one glance of pity down To glid our pathway with thy love.

Oh, we should try to bear our grief, For our lovely child has fled to heaven, Where parting words are heard no more And Love's bright link is never given.

So farewell! farewell! Nannie dear! We bid thee now a last farewell! Ad in our home made lonely here, Thy name shall ever dwell.

GRANDMA.
